

Group Medical Services

"Looking after you and the ones you love" for over 60 years, we are Group Medical Services, Canada's health and travel insurance experts. Join our thriving team. With GMS, the benefits are many!

Corporate Counsel

If you have the legal and business acumen to provide strategic advice on employment matters, corporate governance, regulatory issues, privacy and more combined with the communication prowess to negotiate contracts, manage outside counsel relationships and assist with training, this key in-house role could be yours. A law degree and at least 3-5 years of corporate/commercial legal experience are musts. Knowledge of our industry is a plus.
