## Legal Counsel

The Finance, Safety and Risk Division is seeking a Legal Counsel. Reporting to the General Counsel, you will:

- Provide legal advice and opinions to management on a wide variety of corporate legal issues,
- Review, draft, revise and assist with negotiation of agreements,
- Educate and advise SRC employees with respect to contractual obligations, other legal issues and corporate policies,
- Manage litigation matters, and
- Conduct legal research as required.

As the ideal candidate, you have a Law degree with 3 to 5 years experience in general corporate-commercial law. Your problem solving, critical thinking and analytical skills position you well to manage a variety of projects with short timelines. Your excellent verbal and written communication skills enable you to work well with people at all levels within SRC and externally. You are a professional team player with a demonstrated collaborative work style.

This position is located in Saskatoon.
