## HANDBOOK AMENDMENTS

### Release 2016-2

March 11, 2016

#### Special Notice

The on-line version of the Rules and Forms will always be current and members can rely on the on-line version for reference.

Alternatively, if members prefer to keep a printed copy in their handbook, the amendments will be posted on the website containing a release number and date. By clicking on the link, only the release form and amended pages will print. There will also be an option to print entire documents for new members who do not have copies of previous documentation.

Trust Account forms are located on the website under *Publications, Trust Account Forms*.

#### Note:

A number of Rule amendments were approved at February 2016 Convocation and are summarized in the *Certified True Copy of Amendments*. If you maintain a hard copy binder in your office, please **print the entire set of Rules** posted on the website, as the amendments have affected most of the page numbering.

We encourage you to refer to the website whenever you need to review the Rules or print forms; the online versions will always be current.
