Ready to Laugh Your Way to Ethics?
Featuring Sean Carter (Humorist at Law)

Sean Carter is a lawyer, author, comedian and educator. He is a graduate of Harvard Law School and practiced corporate securities law for a decade before embarking on a career as America's foremost (and likely, only) Humorist at Law. Since 2002, he has crisscrossed North America delivering comedic professional development seminars for more than 350 organizations.

Mr. Carter is the author of the first-ever comedic legal treatise -- If It Does Not Fit, Must You Acquit? Your Humorous Guide to the Law. His syndicated legal humor column has appeared in general circulation newspapers in more than 30 states, including The Los Angeles Times.

Each year, he gives seminars on topics ranging from legal ethics to diversity to the U.S. Supreme Court and everything in between. Yet, all of his programs have one thing in common — humor and plenty of it. In fact, in 2002, the Radio and Television Interview Report dubbed him as “America's Funniest Lawyer.”

THE 2017 ETHY AWARDS

Each year, Hollywood celebrates the best performances in motion pictures at the Oscar Awards. Well, this year, Saskatchewan will lament the worst ethics violations in the legal profession at the Ethy Awards. Humorist Sean Carter will host the festivities and announce “winners” for: Worst Original Excuse, Least Competent in a Legal Representation, Best Supporting Accomplice, Worst Love Scene, Most Creative Billing, Lifetime Achievement Award and so much more...

YELP, I'VE FALLEN INTO SOCIAL MEDIA AND CAN'T LINKEDOUT: The Ethical Pitfalls of Social Media

Facebook, Twitter, LinkedIn, and the other social media tools have become ubiquitous in our high-tech society. And while social media can undoubtedly help lawyers to enhance their networks of colleagues, clients and prospective clients, it can also ensnare the unwary in a web of ethical violations, such as: Breaches of confidentiality, Incompetence, Unauthorized practice of law, False or misleading advertising, Unethical solicitations, Failure to communicate with clients, Unlawful discovery practices and Breaches of gag orders.

IT'S NOT THE FRUIT, IT'S THE ROOT: Getting to the Bottom of Our Ethical Troubles

Sean will go beyond the simple "dos" and "don'ts" of rules and get to the root of the matter -- the mindsets that cause lawyers to commit ethics violations in the first place. In doing so, he will cover the Seven Deadly Sins of legal ethics: Lust, Gluttony, Greed, Sloth, Wrath, Envy and Pride.

NICE LAWYERS FINISH FIRST

It's been said that nice guys finish last. Nothing could be further from the truth in the practice of law. Zealous representation doesn't require us to be zealots. In fact, the most effective representation requires just the opposite. Nice lawyers finish first ... and so do their clients! Sean will stress the importance of not only being "nice," but embodying all the traits of true professionalism: Integrity, Civility, Efficiency, Charity, Conciliation, Accommodation and Humility.
