Gall Law Office is a busy Law Firm located in downtown Saskatoon currently seeking a dynamic, motivated lawyer to join our firm and eventually take over the practice.

The ideal candidate should have at least five years legal experience and have knowledge and interest in Corporate and Commercial Law, Estate Planning & Administration and Real Estate.

The candidate will be required to hold a degree in law, and qualify to register with the Law Society of Saskatchewan. We are looking for someone who is motivated to learn and grow in their professional career. Attention to detail and a strong work ethic are crucial (lazy persons need not apply).

We offer a reasonably attractive salary and fee-sharing arrangement along with a comprehensive benefits package.

At Gall Law Office we attempt to offer a positive environment in which employees enjoy working. We are a law firm that remains friendly and laid back.

We thank all those interested, but only those selected for an interview will be contacted.
