Junior Access and Privacy Officer

The Saskatoon Police Service is recruiting for a Junior Access and Privacy Officer to act as a resource in the administration of their responsibilities as a local authority under Saskatchewan's *The Local Authority Freedom on Information and Protection of Privacy Act*. The Junior Access and Privacy Officer processes requests and provides information to clients as it relates to access requests under LA FOIP. As the ideal candidate, you will possess the following qualifications:

- University degree in a related field with one year's experience in a municipal government or other public sector environment in the information access and privacy field OR a recognized two year diploma program in information management or a related field with three years' experience in a municipal government or other public sector environment in the information access and privacy field
- Certification through the Canadian Institute of Access and Privacy Professionals and/or the Privacy and Access Council of Canada or possession of the Information Access and Protection of Privacy Certificate would be an asset

The Saskatoon Police Service offers a comprehensive benefits package and competitive salary. For further details, please visit www.saskatoon.ca. Please forward a detailed résumé by April 13, 2018 to:
