

Expression of Interest

The Office of Residential Tenancies invites expressions of interest from persons with a law degree and an interest in administrative law to join our team of adjudicators. Our quasi-judicial tribunal is devoted to educating tenants and landlords on their rights and responsibilities under *The Residential Tenancies Act, 2006* and promoting early resolution of disputes.

We require adjudicators throughout Saskatchewan to conduct impartial hearings of disputes between parties within the organization's established Rules of Procedure while maintaining order and decorum. As a sole adjudicator, you will hear and decide disputes, within your jurisdiction, based on the evidence presented and established case law while interpreting and applying *The Act* and other relevant law. You will produce well-reasoned, clearly written decisions in a timely manner. Some travel may be required.

If you are an organized professional fiercely committed to the principles of natural justice with an ability to arrive at finding of facts and demonstrated writing skills, we welcome your interest. Please submit your expression of interest on or before April 30, 2018 to:
