

Talon Regent received his Bachelor of Business Administration from the University of Regina in 2013 and his Juris Doctor from the University of Saskatchewan in 2015. During law school, Talon was an award-winning participant of the 2015 ICC International Commercial Mediation Competition in Paris, France. Since graduating, he became a partner at Ocrane Regent Law Firm and now operates as a sole practitioner at Regent Law in Moose Jaw, focusing on litigation and real estate. Talon has appeared at all levels of court in Saskatchewan and has received recognition from several organizations for his outstanding work, including the title of 'Lawyer to Watch' as a finalist for Lexpert's Rising Stars award. Tying together his passions for law and technology, Talon is working on a Virtual Reality Trial Simulator in his spare time. He hopes that his practical and technical understanding of legal technology will be an asset to the Law Society if he is elected New Lawyer Bencher.
