

I was born and raised in Saskatoon and attended the University of Saskatchewan from 1987 to 1993 and received my law degree in 1992 and a B.A. in English in 1993. After articling with Gauley and Company in Saskatoon, I moved to Prince Albert and worked at Cherkewich, Yost and Heffernan from 1994 to 1997. Since 1997, I have been employed as a Prosecutor with the Ministry of Justice.

In the interests of being concise about my extra-curricular accomplishments, I will only mention one of the multiple (3) bowling trophies I won being a "2nd Place Winner" as a team member of "Gutter Glitter" in the 1999 season.

Given that I will obviously not be tied up with heavy athletic training, I believe I would have the time and experience required to properly conduct the duties of a bencher. Throughout my years, I have been fortunate to have practiced with and opposite many great lawyers from the Prince Albert area and I feel I have gained a real appreciation for the issues facing our legal community whether they relate to access to Justice or ensuring the continuing independence of the legal profession, amongst many others.

Therefore, it would be my privilege to serve my fellow lawyers and the legal profession as the Bencher for the Prince Albert region.
