Chris Bentley

Managing Director, Legal Innovation Zone

GOAL

**Better Position You For
Your Future Success.**

AI IS...

AI IS NOT...

All That Innovation Can Offer

SHOULD YOU CARE ABOUT AI?

- It works – and it's getting better
- Judges are taking notice
- Competitors are taking notice
- Entrepreneurs are taking notice

THE KEY

**AI Could Be Part Of A Modernized
Approach That Better Delivers What
Consumers Need/Want**

FOCUS IS CONSUMERS

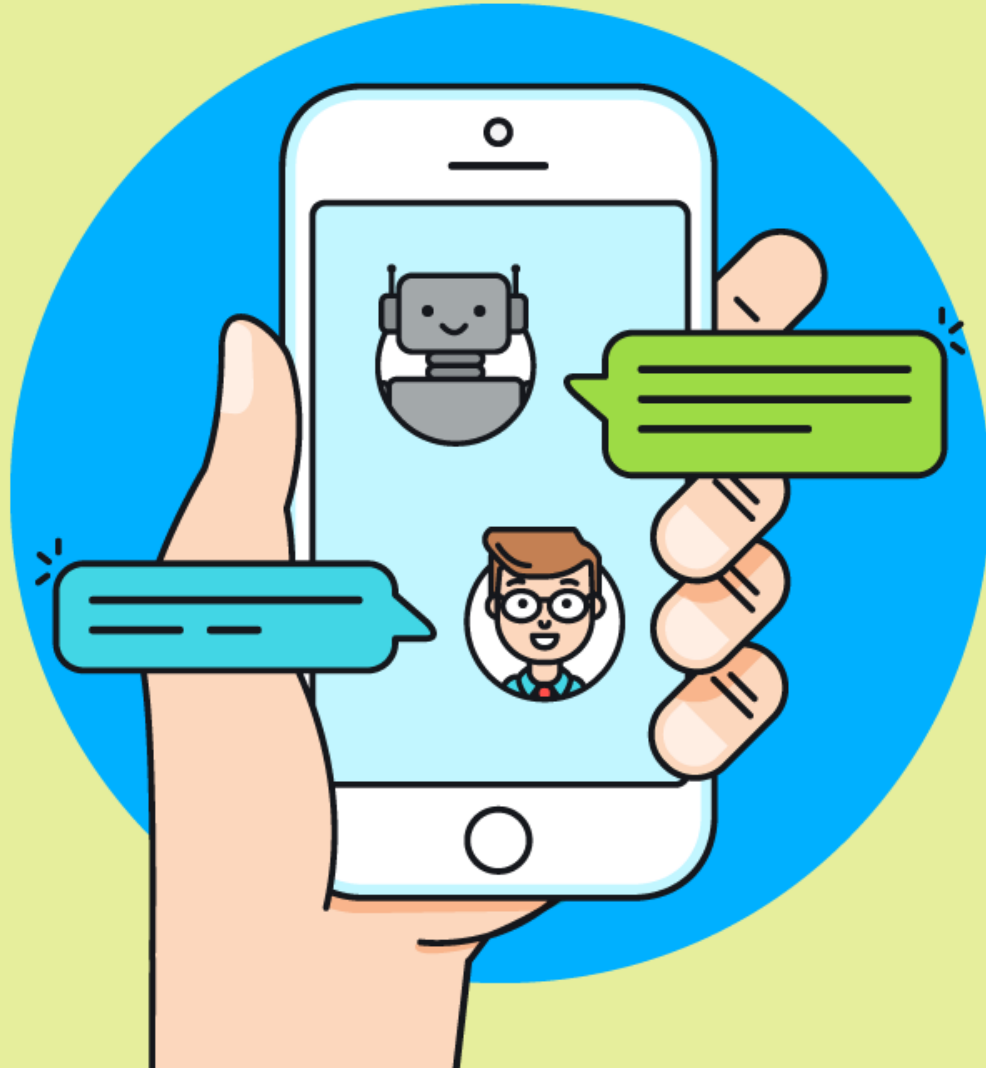

Age of the Provider →
Age of the Consumer

- Process → Solutions
- Quality → What/When/How Much
- 9-5 → 24/7/365

TODAY: BUSINESS OF LAW

How is AI (or automation, or augmented intelligence) being used today?
